RELIFE  
COLLECTION

# RELIEF COLLECTION

Consisting of Shock Absorbing technology derived from a special primary cylinder on the insole heel area surrounded additional cylinders. Together they relieve stress and relax the knees and back. They also support your body's natural movement when walking making them excellent walking shoes and ideal for people who spend a lot of time standing on their feet. Many of our styles in this collection are made to withstand harsh weather conditions and are water resistant these styles can be identified with the R-TEX logo on the upper. They are made with a special protective membrane and specific stitching construction design to ensure dry feet.

# RELIFE COLLECTION
