

Spring Step®

comfort with every step

METRO COLLECTION

FALL | WINTER 2021

METRO COLLECTION

The best shoes start with the best leather; that's why at Spring Step we carefully source all of our materials from ethically minded tanneries in Europe, and ensure skilled artisans at family owned workshops finish each piece by hand to highlight the natural characteristics of the leather. We are passionate and dedicated to the craft, and strive to ensure that each pair is as unique as the person who wears it.

Upgrade Your *Comfort* Experience

Soft Moisture Control Lining

Velvet touch that will keep your feet dry.

Breathable Cushioning

Provides maximum comfort while keeping your feet cool.

Premium Arch Support

Added reinforcement that also helps with body alignment for maximum comfort and support.

Anatomic Design

Stable, long lasting support and comfort.

Shock Absorbing Heel Technology

Built-in cushioned plug to relieve pressure and impact on the heel. Heel cap design to ensure proper alignment and support.

COMFORT
Shock Absorbing Comfort

Providing cushioning, & transferring pressure away from high impact areas. The Spring Step Slim Orthotic Insert Collection utilizes premium, shock absorbing materials designed to cushion and support the body while protecting the foot.

SUPPORT
Arch Support

Supporting the arch in the proper place is essential. The contour, position and height of Spring Steps Inserts unique arch support and aligns anatomically in the proper place to help support your body from the ground up.

STABILITY
Alignment Efficiency

A Major Feature of Spring Step's Slim Orthotic Inserts is to provide alignment and stability - Proper alignment helps minimize stress on the knees, hips and back.
